High Point Quilt Guild Newsletter

January 2020

Volume 9, Issue 1

Please join us the second Thursday of every month at 6:30pm at Oakdale Methodist Church Fellowship Hall (down the street from Full Moon Oyster Bar) at 536 Oakdale Road, Jamestown, NC 27282

From our President, Janet Wells:

Happy New Year! It's a new decade as well as a new year. Let's start setting some goals for ourselves for this new year. Happy Planning New Projects, and Happy Completing Old Ones!

Our first meeting of 2020 will be January 9th at our new guild home, Oakdale Fellowship Hall at 536 Oakdale Road, Jamestown. The program will be to get to know your new officers and committee chairs. Hopefully you will find out things about us you never knew before.

We will post on the website an updated list of programs as we get them scheduled for the year. You can follow the guild happenings on Facebook as well.

I hope to see everyone at our next meeting. Remember that membership dues (\$30) and the fall retreat down payment will be due.

Happy thoughts, happy stitches –

Janet

Programs 2020

We have several programs already scheduled for the year.

January: Meet the Board and Committee Chairs

February: Guild Survey

July: Holiday Potluck

November: Marsha from the Quilting Coop

December: Holiday Potluck

For other meetings, I would also like to reach out to our members who have the knowledge and equipment to help with round robin demonstrations of specialty rulers and scan-and-cut systems. If you can help in either area, please let me know.

I would also like to have one meeting focused on the antique quilts some of us own. If you'd like to show your quilts and tell us what you know of their backgrounds, I will have a sign-up list for you at the January meeting.

Raffle Quilt 2021

We will be raffling off our next quilt in 2021, which means we have to start construction this year. My goal is to have everyone in the guild participate in sewing the quilt. So, after wracking my brain to think of a block would be manageable by all experience levels, I've settled on a paper pieced Log Cabin. Paper piecing results in a high degree of accuracy and the log cabin blocks can be arranged in dozens of different ways. I have purchased blue and green batiks for the quilt. I plan to have a workshop on sewing the blocks so we all have a chance to practice before sewing the blocks for the quilt. So just keep watching the newsletter for further info.

Thanks, Mary Beth
