Volume 10, Issue 8

Please join us the second Thursday of every month at 6:30pm at Northwood Community Center, 2409 Ambassador Ct, High Point, NC 27265. This site is on the corner of Eastchester and Ambassador, very near to the old Dragonfly Quilt Shop. Our meetings are virtual (online through an email invite) in November, January, February and March. They are in-person at the above address in April, May, June, July, August, September, October and December. To receive an invite to a virtual meeting, please call or email an officer in the guild before the next meeting.

From our President, Wendy Clagg:

As a quilt guild, we tend to promote quilting in favor of the other fiber arts. But the mission of our Guild is to educate and promote all interests in fiber arts in all its forms and contexts. Therefore, we would like to encourage all needlework and fiber artist to participate in our guild. We are inviting all knitters, crocheters, embroidery enthusiast and other fiber artists to bring their projects to show and tell at our monthly meetings.

Our guild has been entered into a New Guild Locator being developed by Quiltfolk magazine. I'm not sure when it will be completed.

Hope to see you at the meeting. Remember all show and tell brings inspiration to us all.

Wendy

Vice President, Kelly Healy:

If anyone is interested getting rid of a working sewing machine (old or new), I will take them to my church for our donation to a refugee charity.

Membership (2nd Vice President), Karen Tooley:

EXPANDING SHOW AND TELL

Mission Statement:

"The High Point Quilt Guild operates as an educational, charitable, and historical organization; promoting quilting and fiber arts in all its forms and contexts."

In keeping with our mission statement above and knowing that many of our members use many other forms of "fiber arts" to create and make beautiful projects, (ie. knitting, crocheting, weaving, etc.), we want to encourage those who go beyond quilting to feel free to share any fiber arts projects they may

have made when we have the “Show and Tell” portion of our monthly meetings. We would love to see and celebrate all you are doing in **all areas** of the fiber arts!

I have the above sewing machine that I would like to sell. It's only been used for a couple classes and in the original box. Besides everything that came with original machine - accessories, manual, etc., there is also 3 rolls of different stabilizers for t-shirts, high pile and one for regular fabrics. Also several spools of thread and needles. Before I list online I thought I'd ask you - maybe someone in the guild is interested? The price is \$375, negotiable.

If anyone is interested they can call me - 336-687-7007 or email me.

Thanks!

Jill Bowman
